OF THE THIRD PART

Statutory Right of Way and Covenant - 8-2-4

WHEREAS:

A. The Owner is the registered owner of those lands and premises in the City of Nanaimo, in the Province of British Columbia, more particularly known and described as:

Parcel Identifier: 005-030-226

Lot 10 Block 1 District Lot 40 Wellington District Plan 11705

(the "Lands");

- B. The Lands are located adjacent to an area known as Sealand Park (the "Park") and the lands comprising the Park (the "Parkland") and the Lands are unstable due to the existence of the Conditions (as hereinafter defined) and such Conditions may constitute a nuisance.
- C. The Park is an undertaking of the City and Province.
- D. The maintenance of the undertaking may necessitate that the City and Province allow the Conditions to continue and remain unabated.
- E. The City and Province have requested that the Owner grant a statutory right of way over the Lands to permit the City and Province to maintain the Park.
- F. The statutory right of way granted in section A.2 hereof is necessary to the maintenance of the Park.
- G. In addition, in order to permit the City to undertake certain Works (as hereinafter defined) to replace sanitary sewer pipes located on the Parkland which service the Lands and to thereby eliminate a potential risk of breakage of the sewer pipe located on the Parklands which exists due to the Conditions and Risks, it is desirable that a right-of-way be established on the terms and conditions set out in section A.3 hereof.
- H. By the provisions of section 218 of the Land Title Act, RSBC 1996, chapter 250 as amended (the "Land Title Act"), there may be registered as annexed to any land, an easement without dominant tenement to be known as a Statutory Right of Way for the maintenance of the undertaking, and such section permits the statutory rights of way referred to in sections A.2 and A.3 hereof.
- I. Due to the Conditions and Risks (as hereinafter defined), loss and damage to the Lands as well as buildings and structures and improvements (the "Existing Improvements") located on the Lands, or both of them, may occur.

Statutory Right of Way and Covenant -8-2-4

- J. Accordingly, in keeping with the current policy of the City, a Covenant is required to restrict the right of the Owner: (i) to make any changes to or replacements of the Existing Improvements on the Lands; (ii) to construct any new improvements on the Lands; and (iii) to further develop or re-develop the Lands ((i), (ii) and (iii) are collectively referred to herein as "Further Improvements").
- K. The Owner for herself, her heirs, executors, administrators, successors and assigns has agreed to suffer the potential nuisance and to release the City and Province from any claims relating to such Conditions and Risks including the loss of value and the potential of future damage to the Lands, the Existing Improvements and Further Improvements on the terms and conditions set out herein.
- L. By the provisions of section 219 of the Land Title Act, R.S.B.C.1996, chapter 250 as amended (the "Land Title Act"), there may be registered as annexed to any land, conditions or covenants in favour of the City that the Lands, or any specified portion thereof, is to be built upon or not to be built upon or is to be used or not to be used in a particular manner;
- M. The City has required an indemnity as permitted pursuant to section 219 of the Land Title Act on the terms provided herein.

NOW THEREFORE THIS AGREEMENT WITNESSETH that:

Section A - Statutory Rights of Way - Land Title Act s. 218

Pursuant to section 218 of the Land Title Act, and in consideration of the sum of ONE DOLLAR (\$1.00) and other good and valuable consideration, paid by the City and Province to the Owner (the receipt and adequacy of which is hereby acknowledged by the Owner) the Owner covenants and agrees with the City and Province as follows:

- A.1 The Owner (i) acknowledges for herself, her heirs, executors, administrators, successors and assigns that the City and Province maintain the Park as an undertaking; and (ii) that due to the existence of the Conditions and Risks to the Lands, agrees to suffer the potential nuisance caused thereby and the potential resultant damage, change or alteration to the Lands and Improvements caused by such Conditions and Risks.
- A.2 The Owner for herself, her heirs, executors, administrators, successors and assigns hereby grants to the City and Province, their agents, servants, workmen, contractors and all other persons on its (their) behalf to preserve the Park, a statutory right of way over the Lands for the purpose of continuing the Conditions on the Lands and the Parkland and permitting the potential resultant damage, change or alteration to the Lands and Improvements caused by such Conditions and Risks and not taking steps or actions to abate the same, whether or not such Conditions constitute a nuisance for or on the Lands or cause damage to the Lands or any person or any property of the

Owner, her heirs, executors, administrators, successors and assigns located thereon or that of the Owner's agents, servants, licensees or any other person acting on her behalf, or any Improvements located on the Lands.

- A.3 The Owner for herself, her heirs, executors, administrators, successors and assigns hereby grants to the City, its agents, servants, workmen, contractors and all other persons on its (their) behalf the right to enter onto the Lands or any part thereof and to pass and repass over the same, with or without vehicles and equipment, for the purposes of constructing thereon and installing thereon or thereunder such works as the City may require in order to disconnect existing septic systems located on the Lands and to connect the Lands to the municipal sanitary sewer systems including pipes, pumps, conduits, electrical connections and facilities (collectively the "Works").
- A.4 The City may upon completion of the Works transfer the Works to the Owner and cause title thereto to vest in the Owner who shall thereafter have the responsibility to repair, replace and maintain the Works. In such case, the right of way granted under section A.3 hereof shall be cancelled and of no further force or effect and the City, at the request of the Owner, will execute and deliver in registrable form a release of the statutory right of way referred to in section A.3 hereof.
- A.5 If the City does not transfer the Works, the City, its agents, servants, workmen, contractors and all other persons on its (their) behalf, shall retain the right to enter onto the Lands or such part thereof as may be required and to pass and repass over the same, with or without vehicles and equipment, in order to maintain, repair and replace the Works.
- A.6 With respect to the right of way granted by section A.3, if section A.5 applies, the Owner covenants with the City as follows:
 - (i) that she will not, nor shall she permit any other person to, make, place, erect, install or maintain after the date of this Agreement any building, structure, concrete driveway or patio, pipe, wire or other conduit on, over or under any portion of the Lands containing the Works so that it in any way interferes with or damages or prevents access, or is likely to cause harm to, the Works authorized hereby to be installed;
 - (ii) that she will not do or knowingly permit to be done any act or thing which will interfere with or injure the Works and in particular will not carry out any blasting on the Lands without the prior written consent of the City, provided that such consent shall not be unreasonably withheld;
 - (iii) that she will not substantially add to or diminish the soil cover over any of the Works, and in particular, without limiting the generality of the foregoing, will not construct open drains or ditches along or across the

- Works without the prior written consent of the City, provided that such consent shall not be unreasonably withheld; and
- (iv) that she will from time to time and at all times upon every reasonable request and at the cost of the City do and execute or cause to be made, done or executed all such further and other lawful acts, deeds, things, devices, conveyances and assurances in law whatsoever for the better assuring unto the City of the rights hereby granted.
- A.7 With respect to the right of way granted by section A.3, if section A.5 applies, the City covenants with the Owner as follows:
 - (i) that it will not bury any debris or rubbish of any kind in excavations or backfill, and will not remove shoring and like temporary structures as backfilling proceeds;
 - (ii) that it will thoroughly clean all lands to which it has access hereunder of all rubbish and construction debris created or placed thereon by the City and will leave such lands in a neat and clean condition;
 - (iii) that it will as soon as weather and soil conditions permit, and so often as it may exercise its right of entry hereunder to any part of the Lands, replace the surface soil as nearly as may be possible to the same condition as it was prior to such entry, in order to restore the condition of the Lands to that which existed prior to such entry. Provided however, that nothing herein shall require the City to restore conditions prohibited by this right of way, and
 - (iv) that it will, as far as reasonably possible, carry out all work in a proper and workmanlike manner so as to do as little injury to the Lands as possible.
- A.8 The permissions and rights of way set forth in section A.2 and A.3 hereof shall charge the Lands pursuant to section 218 of the Land Title Act and shall charge, burden and run with the Lands and shall be binding on the Owner and her heirs, executors, administrators, successors and assigns.

Part B - Covenant Land Title Act s. 219

Pursuant to section 219 of the Land Title Act, and in consideration of the sum of ONE DOLLAR (\$1.00) and other good and valuable consideration, paid by the City to the Owner (the receipt and adequacy of which is hereby acknowledged by the Owner), the Owner covenants and agrees with the City as follows:
